MARK STILES

-Courtesy of Stan Schleuter

After more than three months of hospitalization, therapy and rehab Mark has been released and is now home with his wife Karen. Stan just spoke with him and all is positive. He is still on a walker but making steady progress "and working toward recovery."

Hope you're doing well Mark and we all look forward to seeing you as soon as possible. P.S. Could we make a suggestion that you and Hightower give up hunting and take up golf?

BARRY TELFORD

We are hoping for an update any time on Barry, and will share it just as soon as we hear.

SPEAKER'S REUNION DAY

The Texas House of Representatives will not be celebrating Speaker's Reunion Day this session due to COVID 19. This time-honored tradition — which dates back to 1876 — was originally known as Speaker's Day.

In 1995, [HB 1527](#), 74th Legislature, became law, officially designating a day to honor all former members of the Texas House of Representatives; it also changed the name to Speaker's Reunion Day. Now, this biennial event continues to be an opportunity for all current and former members to congregate and celebrate their service to the State of Texas.

To our Friends and Former Colleagues,

*We regret to have to inform you that we will not be hosting
Speaker Reunion Day events this year due to the ongoing issues
with COVID. We look forward to seeing you in 2023!*

Speaker Dade Phelan & Speaker Pro Tempore Joe Moody
